FOR IMMEDIATE RELEASE

One-Way Traffic Control Continued for Rio Vista Bridge

SACRAMENTO, YOLO, SOLONO, CONTRA COSTA AND SAN JOAQUIN COUNTIES – The California Department of Transportation (Caltrans) is advising motorists delays on State Highways 12 and 160 due to maintenance work scheduled on the Rio Vista Bridge continue with one-way traffic control still in effect.

Maintenance work began on September 21 and will continue through October 2 on the bridge. One-way traffic control using flagging stations and pilot cars are scheduled from **8:30 p.m. – 6 a.m. Sunday through Friday**. The intersection of Highways 12 and 160 will be included in the traffic control.

Motorists are further advised that maritime traffic will still be allowed to pass and the bridge will lift as needed to accommodate large vessels. Delays up to 30 minutes are to be expected. This work will not interfere with the Rio Vista Bass Festival scheduled for the week of October 16.

The U.S. Coast Guard has granted approval for the work on the lift-span, and pedestrians will not be allowed to cross without assistance during traffic control operations. The California Highway Patrol (CHP) will be present at all times.
